Brecksville, Ohio 44141

Dear Ms. Moroney:

Thank you again for participating in the 2012/2013 Enrichment Grant Program sponsored by the Brecksville-Broadview Heights Schools Foundation. As you know, the primary purpose of the Foundation is to fund, support, encourage and reward creative and innovative projects and programs which may not be funded in the ordinary course, but that are designed to improve student learning and development within and across the Brecksville Broadview Heights City School District. The Foundation was pleased to fund your program or project and it is our hope that your 2012/2013 grant-funded project was a successful and productive addition to your classroom activities.

As you may recall from the Enrichment Grant Application, each Grant recipient is required to complete an Evaluation Form, or follow-up report. Your Evaluation Form is important to the Foundation: (i) in tracking how well Grants awarded in the past have achieved the Foundation's goal of supporting, encouraging, and rewarding creative and innovative projects or programs; (ii) in reviewing the likely success of future Applications in achieving that mission; and (iii) in maintaining accurate internal records and in overall evaluation of the Foundation's Enrichment Grant program. Please complete the enclosed Evaluation and return it at your earliest convenience to Melinda Brubaker at Central School, by October 1, 2013, if possible. Please include a written assessment of the project and, if you have not already done so, include any photographs or other material that may be useful in describing the outcome and success of your project or program. (Note: Please complete Evaluations for both the Foundation and Sarka grants.)

Thank you for your attention to this matter. If you have any questions, please contact our Trustee in charge of the Enrichment Grant program, Julie Firestone (email: juliefire@yahoo.com), or Melinda Brubaker (email: info@bbsf.org).

Sincerely,

Daniel M. Prendergast, President
