

The Brecksville-Broadview Heights Schools Foundation

December 8, 2015

Dear Business Community Member:

Successful schools must have the support of their community. The widely recognized excellence of the Brecksville-Broadview Heights School District is, in large part, due to the backing of local residents and area businesses.

The Brecksville-Broadview Heights Schools Foundation is celebrating its 24th anniversary in 2016. Through the foundation, we provide grants to enhance K-12 classroom learning experiences and scholarships for graduating high school seniors. **In the past year, the BBH Schools Foundation distributed approximately \$55,000 in classroom enrichment grants and scholarships to enhance the educational opportunities of district students.**

We hope you'll consider supporting the BBH Schools Foundation's annual fundraiser, the Beach Ball, which will be held Saturday, March 12, 2016. We welcome donations of cash, themed baskets and/or other items for our silent and live auctions. If you'd like to be a sponsor or advertise in our full-color, professionally designed and printed program, please refer to the enclosed sponsorship form.

In addition, we invite you to attend the Beach Ball and spend a tropical evening enjoying the warm feeling of helping Brecksville-Broadview Heights district students! Tickets will be available in January. Visit our website at bbhsf.org for details on how to register for this fun-filled event and "like" us on Facebook: <https://www.facebook.com/bbhsf> to hear about grant awards, scholarship recipients and upcoming Beach Ball plans!

We hope you will lend your support to the students of our school district. Please feel free to contact us with questions.

Thank you,

Ronda Strmac
